Expected Schoolwide Learning Results

1. Students are self-directed learners who
   • Assume responsibility for personal life-long learning; discovering, developing and pursuing individual interests.
   • Monitor and evaluate their academic progress
   • Organize and manage time and resources efficiently

2. Students demonstrate strong interpersonal skills through
   • Demonstrating respectful, effective and proficient communication skills of reading, writing, speaking, and active listening
   • Working collaboratively with others, with an emphasis on problem solving
   • Developing a positive, can-do attitude

3. Students are academically proficient as reflected by
   • A core of knowledge, which includes mathematical and scientific literacy
   • Demonstrating a progressive mastery of California State Standards leading to proficient or advanced scores on California standards assessments
   • Demonstrating higher order thinking skills of application, analysis, synthesis and evaluation

4. Students demonstrate technological competency by
   • Accessing, utilizing, synthesizing and evaluating information
   • Creating media products

5. Students are responsible citizens who
   • Demonstrate respect for cultural, ethnic, and economic diversity.
   • Model good character traits
