

## Who can attend LVCS?

As a charter school we are a public school of choice. Parents voluntarily enroll their students. We do not discriminate against any student or family. Admission to the site based program is open to any resident of California. Independent study students must reside in Lassen, Modoc, Plumas, Shasta or Sierra county.

## How do you enroll your child?

We encourage you to first contact the school and make an appointment to meet with a representative of the school to ascertain which of our educational programs best meets the needs of your child.

We will assist you in completing the required enrollment forms.

These forms are available in the "Form" section of this website for you to preview.

### *Special notes:*

*Students may enroll throughout the school year.*

*The Doyle Campus is the Site Program facility and there are class size limits. Page 36 of the LVCS Charter describes the procedure if there are more applicants than capacity. (The Charter is located under the "School Information" page of the website.)*
